**DETAILED ACTION**

***Examiner's Amendment***

1. An examiner's amendment to the record appears below. The Examiner received authorization for the examiner's amendment from Mr. Andrew Reibman on May 13, 2005. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

On page 1, line 5 of the specification, "an application" has been deleted and -- Application No. 09/ 794,266 -- has been substituted therefore.

In claim 34, line 4, "and obverse" has been deleted and -- an obverse -- has been substituted therefore.

In claim 41, line 1, "(Previously Amended)" has been deleted and -- (Previously Presented) -- has been substituted therefore.

***Oath/Declaration***

2. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67 identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because it does not identify the domestic application for patent on which priority is claimed, by specifying the application number, day, month and year of its filing. The oath or declaration merely identifies the domestic

application as "currently unassigned" and the Examiner asserts Application No. 09/794,266 should be substituted therefore.

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth in this communication. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.
